TGN Families,

Please know that this is the most difficult decision I have had to make in my 26 years in business but I feel it is the right decision for our students, families, and community. At this time, we are closing and our timeline for reopening is unknown but hope that by taking this drastic action now we will be able to return to our normal schedule sooner rather than later.

I ask for your patience as I try to figure out a process for make-ups. This will take time as our entire nation is suffering from the effects of the coronavirus.

I appreciate everyone's supportive messages that I have received through emails, texts, and messenger and I can't wait to get back in the gym with all of our gymnasts, tumblers, cheerleaders, dancers, and ninjas.

Please continue to watch for emails, and posts on Facebook and Instagram for updates. I would also love for parents to tag us and post pics and videos of the fun activities that our students are doing while at home.

Take care and let our students know that we miss them!

Tina
